Dear Cristina,

Thank you so much for your help and the gift given you to stage a home. The staging helped so very much with showing the homes with light and color and comfort. I really appreciate what you have done – on all three properties!!! My clients are also very pleased and had no idea what an improvement to their property your staging would do to help promote their homes.

Thank you again, and hopefully we will do a lot of business together.

Sincerely,

April Cummins
